Praim Thin Client Compact Series

Compact is the solution that offers an optimal price / performance ratio to offer a workstation accessing Citrix XenApp, XenDesktop, VMware View and IBM iSeries systems.

- Ideal workstation to access any centralized infrastructure, integrates support versus **Citrix XenApp, XenDesktop and VMware View.**
- **Low power consumption**, is a Green solution, only **12W.**
- **High Reliability and Easy Remote Management** provide a lower Total Cost of Ownership (TCO) than a traditional PC or laptop
- **Simple and Secure** access to company applications, without the risk of Virus infection.
- **Enhanced IBM AS/400** Display and Printer emulation.
- **Compact dimension**, including DVI-I or VGA with dial monitor support, 4 USB external ports, **1 serial port** and built-in optional **Smart Card** reader.
- **WiFi support**, with built-in antenna allows you to offer a full optional wireless workstation with compact dimension.
- **Display resolution up to 1920 x 1440** with 4:3 and 16:9 **wide** screen support. The unit can be installed with VESA mounting on the back of the monitor.
